

# AUSTRALIAN CHILD RESTRAINT LAWS

## National child restraint laws

- Children up to the age of six months must be secured in an approved rearward facing restraint
- Children aged from six months old but under four years old must be secured in either a rear or forward facing approved child restraint with an inbuilt harness
- Children under four years old cannot travel in the front seat of a vehicle with two or more rows
- Children aged from four years old but under seven years old must be secured in a forward facing approved child restraint with an inbuilt harness or an approved booster seat
- Children aged from four years old but under seven years old cannot travel in the front seat of a vehicle with two or more rows, unless all other back seats are occupied by children younger than seven years in an approved child restraint or booster seat
- Children aged from seven years old but under 16 years old who are too small to be restrained by a seatbelt properly adjusted and fastened are strongly recommended to use an approved booster seat
- Children in booster seats must be restrained by a suitable lap and sash type approved seatbelt that is properly adjusted and fastened, or by a suitable approved child safety harness that is properly adjusted and fastened.
