What's happening Autumn 2017—Highlight this month is on our Youth Programs

Following a great 2016, we welcomed back our local young people with some local fun outings just before the return of school. This was in partnership with Eagle Arts & Vocational College (EAVC), whom were very generous with their financial contributions to enabling the 3 days of outing occur. It was great to see EAVC students and regular faces at Tiningi Youth Centre getting along and having a great time.

In programs news Bligh Park Community Services Inc. has successfully tendered for Hawkesbury City Council's (HCC) Anti-bullying funding. Our service along with the Human Sound Project are now eligible to provide our Anti-bullying programs to many of the local high schools with the financial assistance from HCC.

Our program "Respectful Relationships and Anti-bullying Workshop (RRAAW)" was jointly created in partnership with Mr Wayne Abbott from Fighting Fit Martial Arts in McGraths Hill. Master Wayne and our Youth Development Worker Ricky Atkinson have created the revised program to address the various forms of bullying and productive & safe methods to de-escalate a bullying situation for teenagers. We are looking forward to facilitating the RRAAW Program at the local high schools in 2017.

Tiningi Youth Centre is also open most afternoons and the frequent movie nights will continue following their successful trials in 2016. Please keep up to date with what is going on at Tiningi Youth Centre via our Facebook page
